

UNIVERSITÄT ZU KÖLN
BIOZENTRUM ZOOLOGISCHES
INSTITUT TIERPHYSIOLOGIE

Seminars in Neurosciences

Wednesday, October 4th 2017

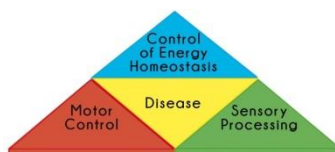

venue: *Lecture hall 0.024, Biocenter, Zülpicher Str. 47b*

9:30 a.m. Prof. Karen A. Mesce,

Department of Neuroscience and Entomology,
University of Minnesota St. Paul,
Minnesota, USA

*“Small Steps and Larger Strides in Understanding
Locomotor Circuits and
Their Functional Recovery after Injury”.*

Host: RTG-NCA

RTG-NCA: Neural Circuit Analysis on the cellular and subcellular level
