

UNIVERSITÄT ZU KÖLN
BIOZENTRUM ZOOLOGISCHES
INSTITUT TIERPHYSIOLOGIE

Seminars in Neurosciences

Monday, Mar 27th 2017

venue: *Lecture hall 0.024, Biocenter, Zülpicher Str. 47b*

9:30 a.m. Prof. A. El Manira,

Karolinska Institute, Sweden on

“Modularity and modulation of the locomotor circuits in zebrafish”.

10:30 a.m. Prof. K. Sillar,

St Andrews University, Scotland on

“The Na⁺ pump revisited - a conserved memory device embedded in spinal locomotor networks”.

Host: RTG-NCA

RTG-NCA: Neural Circuit Analysis on the cellular and subcellular level
