

Universität zu Köln
Institut für Zoologie

Seminars in Neuroscience

Monday, November 25th 2019 at 13:00 s.t.
in the lecture hall **0.024**, Biocenter

Prof. Dr. Abdel El Manira

Department of Neuroscience,
Karolinska Institute, Sweden

**“Neuronal and circuit diversity controlling
motor actions”**

Guests are welcome

Host: C. Gebhart
RTG-NCA | GRK 1960

Neural Circuit Analysis on the Cellular and Subcellular Level
