

UNIVERSITY OF COLOGNE

SEMINARS IN NEUROSCIENCE

Prof. Dr. Yimin Zou

Division of Biology, Section of Neuroscience
University of California, San Diego, USA

*“Signaling Mechanisms for Glutamatergic
Synapse Formation and Function”*

Monday, September 16th 2019, 2 p.m. s.t.

Lecture Hall ground floor, CECAD Research Centre,
Joseph-Stelzmann-Str. 26

Host: Natalia L. Kononenko
RTG-NCA | GRK 1960

Neural Circuit Analysis on the Cellular and Subcellular Level
